

3-Way HDMI Selector Instruction Manual

The **3-Way HDMI Selector** is a compact, time-saving control center for HDTV source switching using a single high definition display. A simple and reliable solution, the **3-Way HDMI Selector** links any 3 HDTV sources (DVD players and satellite set top boxes) to 1 HDTV display. You simply select which source you want to view on the display using the switch.

INSTRUCTIONS

1. Connects 3 AV devices (DVD players, PS3, and satellite set top boxes, etc) with HDMI cable to 1 HDTV or digital projector.
2. Select each device with a push button.
