

Radio Parts are revamping their VIP service to make it bigger, better, and more exciting in 2008. We will be slowly phasing out our VIP program, to be replaced by our RPG Trade Frequent Buyer program. As an existing VIP card holder you will need to re-register with us to complete your move to becoming an RPG Trade Frequent Buyer.

By signing up you will enjoy the benefits our Trade customers have enjoyed for many years*. The following are just a few of the major benefits:

- Receive your very own Frequent Buyer Card.
- As a RPG Trade Frequent Buyer you will gain access to massively reduced trade and quantity prices.
- As a RPG Trade Frequent Buyer you can register at www.radioparts.com.au and login as a trade customer to view up to date information and discounted trade prices of our entire range.
- RPG Trade Frequent Buyers are also entitled to receive our glossy "RPG Trade" brochure published monthly. **RPG Trade** highlights all of our new products, special prices on items for the month of publication and more. The savings we offer on products that are already discounted for Trade members will amaze you!
- To top it all off, you can choose to receive our annual catalogue, listing over 5000 products stocked by Radio Parts. If it is electronic, you can be assured that you can find more information on it in our catalogue.
