7800MAH DUAL OUTPUT POWER BANK

The PB7800 is the latest in the line of DOSS portable power banks and is now even better than ever with a massive 7800mAh in a very compact size! It features dual USB output for charging up to two devices at a time; one of them being able to supply a powerful 2.1A. To top it off, the super bright LED flashlight is far from superfluous, providing ample light to find your way or the charging socket on your phone in the dark.

Features:

- Massive 7800mAh capacity—charge your phone multiple times on the one charge!
- Dual USB output
 - ↳ 1x 1A output
 - ↳ 1x 2.1A output (iPad fast-charge compatible)
- 5-segment battery indicator
- Charges via standard Micro-USB connector
- Compact size—96 x 64 x 22mm
- Super-bright LED flashlight—toggles with a simple double press of the power button
